## **WATER IS THE BASIS** of life and the most important and precious resource on our planet.

Since it was founded over 30 years ago BIOTOP has committed itself to careful use of this life and pleasure-giving element water. Pure natural water in one's own back yard for swimming or just to visually enjoy is a dream come true for many people.

With its products BIOTOP imitates nature, and it uses only ecologically sustainable building components or recycling products. All members of the partner network are part of a growing community with a common goal. Those who understand the values and philosophy of the Austrian pioneer BIOTOP will equally appreciate the beauty and power of nature when water is included in garden design. For the benefit of mankind and its natural environment.

We began building up our partner network in 1994. Around 80 PARTNERS IN 19 COUNTRIES worldwide guarantee the success of BIOTOP. Join the BIOTOP group now!

5000 SATISFIED CUSTOMERS  
SPEAK FOR THE UNSURPASSED  
QUALITY OF OUR BIOTOP  
NATURAL POOLS.

To date our partner network comprises:  
Austria, Australia, Barbados, Belgium, Czech Republic,  
France, Germany, Great Britain, Canada, Israel, Italy,  
Luxemburg, the Netherlands, New Zealand, Slovenia,  
Spain, Switzerland, Turkey and the USA.

## OUR CONDITIONS

There is a one-time entry fee, which in a first step covers the intense training course at BIOTOP headquarters including a package of helpful marketing and consulting material. You become a member of a group that offers innovative natural pool techniques. On-going consulting and options for further training are naturally part of the agreement.

In addition there are license fees per constructed pool, depending on the size (water surface) and type of pool. According to the number of pools built per year this varies between 3% and 5% of revenues. The license fees are billed twice a year.

## THE NEXT STEPS

Once we have confirmed the need for a partner in your contractual area we will send you a draft contract. A personal meeting will clarify any of your questions, desires and ideas about a successful partnership with BIOTOP. After we have signed a contract you and your team will take part in an intensive training program at BIOTOP's headquarters in Austria.
